

2019-2020 Wayne FFA Information

The schedule and roster for the year are below. Not every FFA member will be gone to all of the events. I will send emails the week prior with the names of the students who are planning to go. If there is ever a problem (behavior, grades, etc.) with any of these members, please don't hesitate to let me know.

*Disclaimer: There may be other times (ex. reading to elementary during FFA Week in February, National Ag Week in March) that 2-5 students will be out of a class or two. With these events, I aim to pull them out of ag class and/or study hall first if possible and check their grades in those classes they may miss as well. The dates below are the major days on which larger groups of students will be gone for a day or more.

Schedule (absences, other local events, weekend events, and evening events will occur as well, but these are the days that may affect your classes):
