

Impact Time / Adult Advocate

The school has a formal structure whereby each student is well known by at least one adult advocate in the school who supports that student's educational experience.

Research shows that students are more successful in school when they are well connected at school. This systematic structure will ensure that all students in our build have at least one adult advocate. In addition, many students will increase the number of adult advocates they have in our building. This time will start with relationship building to ensure that your students are comfortable within your classroom. Once relationships have started to form we will gradually move the lesson more towards character education, goal setting, and hopefully college and career readiness.

This is part of our school improvement process.

Impact Character Education:

September - Respect

October - Responsibility

November - Courage

December - Caring / Fairness

January - Perseverance

February - Self-Discipline

March - Honesty & Trust

April - Citizenship
